Geoscience InfoRmation in AFrica

3rd Workshop

Geoinformation, Sustainable Mining & Mapping

Mining and Sustainable Development Forum

25 – 26 September 2013
Accra, Ghana

Wednesday, September 25				
09:00	9:15	Ian Satchwell, Director IM4DC	Introduction to Workshop and International Mining for Development Centre	Mining
09:15	10:00	Dr Ben Aryee, CEO Ghana Minerals Commission	Keynote – Ghana, Governance and the Africa Mining Vision	
10:00	10:15	Q&A		
10:15	10:45	Coffee break		
	Chair: Ian Satchwell		**Frameworks for development**	
10:45	11:15	Eng. Paul Masanja, CEO Tanzania Minerals Audit Agency	The Inter-Governmental Forum on Mining and Sustainable Development and the Mining Policy Framework	
11:15	11:45	Dr Toni Aubynn, CEO Ghana Chamber of Mines and Energy	Mining and Sustainable Development, the case of Ghana	
11:45	12:00	Panel Q&A		
12:00	13:00	Lunch break		
	Chair: Kristine Asch		**Geoscience and Information Systems**	
13:00	13:30	Dr Vaclav Metelka, Centre for Exploration Targeting, The University of Western Australia	The WAXI Project – a multistakeholder initiative	
13:30	14:00	Ian Satchwell, Director IM4DC	Geoscience Policy and Management in Australia	
14:00	14:30	Dr Vaclav Metelka, Centre for Exploration Targeting, The University of Western Australia	IM4DC Open Data - A West Central Africa Geodata Information System	
14:30	15:00	Q&A		
15:00	15:30	Coffee break		
	Chair: Eric Ofori-Nyarko		**Artisanal and Small-scale mining**	
15:30	17:15	John-Peter Amewu, Artisanal Mining Africa Network (AMAN) Eng. Paul Masanja, CEO Tanzania Minerals Audit Agency Prof Salvador Mondlane, Universidad Eduardo Mondlane	Individual 20 minute presentations on ASM activities and management in Ghana, Tanzania and Mozambique, followed by panel discussion	
17:15	20:00	Poster Session 2	Mining & Exploration	

Thursday, September 26			
09:00	10:15 Ian Satchwell, Director IM4DC and participants	Recap of Day 1 and discussion	Mining
10:15	10:45 Coffee break		
	Chair: Ian Satchwell	**Building human and institutional capacities**	
10:45	11:05 Vincent Kawamya, University of Zambia	Capacity-building in Mineral Resources Management at the University of Zambia and UNU INRA Unit	
11:05	11:25 Prof Daniel Asiedu, Dean of Science, University of Ghana	Developing human resource capability in geoscience at the University of Ghana	
11:25	11:45 Prof Sammy Bonsu, Dean of School of Leadership and Public Policy, GIMPA	Building governance and leadership capacity for achieving positive outcomes from mineral developments	
11:45	12:00 Panel Q&A		
12:00	13:00 Lunch break		
	Chair: Violet Basuah	**Linkages, diversification and infrastructure**	
13:00	13:30 Richard Kofi Afenu, Minerals Commission	Development and implementation of policy for Local Content in Ghana	
13:30	14:00 Vincent Annan, CEO Sekondi-Takoradi Regional Chamber of Commerce	Developing strategies for local content in the Western Region	
14:00	14:30 Ian Satchwell, Director IM4DC	The critical role of infrastructure – the case of Australia	
14:30	15:00 Panel Q&A		
15:00	15:30 Coffee break		
		Summary and wrap-up	
15:30	16:00 Ian Satchwell, Director IM4DC		
16:00	17:00 Poster Session 3	Mapping, Geology, Groundwater
